2. **AGREEMENT**:

The "Contractor" shall enter into an agreement with the "Engineer-in-Charge" in the format on requisite value of stamp paper prescribed for the purpose by the "Corporation" within a stipulated period to be specified by the "Engineer-in-Charge" failing which the EMD and ISD shall be forfeited. The work may be awarded in favour of some other agency at the discretion of the "Corporation".

3. **CONDITIONS FOR SUPPLY ITEMS.**

- i) The contractor shall quote their rates **F**.O.R. Odisha Construction Corporation Ltd., Central Workshop, Rasulgarh, Bhubanewar inclusive of all levies, duties, transportation, transit insurance etc. Applicable taxes as per GST shall be indicated separately besides basic price strictly in the space provided in price schedule format.
- ii) The material should be guaranteed against any manufacturing defects for a period of 18 months from the date of supply or 12 months from the date of operation/ use, whichever is earlier. Materials if found defective within the guarantee period, the same shall have to be replaced free of cost by the supplier.
- iii) Materials to be supplied shall be strictly as per BIS standard & mark and proper specification & applicable make should be clearly mentioned against each item.
- iv) The validity of the offer should be for a period of **90** (Ninety) **days** from the date of opening of the bid.
- v) The complete work shall have to be executed within 07 (Seven) **days** from the date of issue of the work order failing which the order is liable for cancellation. In case of any delay in supply of material beyond the delivery schedule whatever may the reason, supplier shall be liable to pay L.D. @ 0.5%(half percent) of the total work value of delay or part thereof subject to a maximum of 5% (five percent) of the total work value.
- vi) Manufacturer shall have to provide circuit diagram of each assembled unit for reference of the purchaser.

4. **RATE**:

The rate quoted by the contractor is to be indicated in Rupees, which shall be valid for the full period of execution or till completion of work whichever is later. No escalation or price variation in whatsoever form shall be entertained. The rates quoted by the contractor should be firm for the entire period of execution. The contractor shall quote the rates to complete the works as per specifications inclusive of all transportation, handling, loading, unloading, lift, de-lift, taxes, duties, levies, incidental expenses etc. that will be applicable on the work to be executed by him. No claim in this regard in whatsoever form shall be entertained.

5. PAYMENT TERMS:

- i) No advance, price escalation and price adjustment shall be paid for the work. The rates shall remain firm throughout the agreement period.
- ii) The payment to the "Contractor" shall be limited to the measurements taken and accepted by the client. The "Contractor" cannot raise any dispute over the measurements allowed by the "Engineer-in-Charge" for the purpose of payment.
- iii) The Contractor will bear the full cost of rectification or replacement of works required as per direction of "Client" or "Engineer-in-Charge".
- IV) The payment for 90% after successful erection, electrical installation, testing & commissioning. Balance 10% shall be made after 90 days from date of work completion.

6. INCOME TAX, GST_ETC.:

Income Tax at the prevailing rate from time to time will be deducted from each bill of the "Contractor" and shall be deposited with Income Tax Authorities. The Contractor will have to produce tax invoice against each bill for payment. Any other taxes duties, royalties, levies etc. As applicable from time to time shall also be deducted.

7 RETURN OF PLANT, MACHINERY, EQUIPMENTS, TOOLS, TACKLES, MATERIALS, CONSUMABLES ETC.:

The plants, machinery, equipments etc. of the "Corporation" are to be returned by the "Contractor" in good working condition after completion of the work/termination of the contract by the "Corporation". The "Corporation" may hire plants, machinery, equipments, etc. from the owner as well as outside for use in work. The same are also to be returned by the "Contractor" in acceptable good working condition with original fittings after completion of the work/termination of the contract by the "Corporation".

Any damage to/ by the plants, machinery, equipments etc. during use by the "Contractor" shall be booked to the "Contractor" for recovery from his bills.

8 MEASUREMENT OF WORK:

The quantity of work executed shall be measured and payment shall be made on completion of work or on termination of the agreement, when final measurement will be made and account will be adjusted accordingly. The decision of the "Engineer-in-Charge" regarding the rates, progress, measurement and quality of the work shall be final and binding on the "Contractor".

9 ELECTRICITY

On non-availability of electricity at site of work, contractor shall have to arrange required DG set of suitable capacity with P.O.L & operator at his own cost to complete the work.

10 **PAYMENT TO WORKMEN**:

The "Contractor" should maintain job register and payment rolls of their workmen and get those checked by the "Engineer-in-Charge" or his authorized representative from time to time. The payment to the workers/ supervisory staff shall be made by the "Contractor" in the presence of the owner and/or "Engineer-in-Charge" or his authorized representative as a token of disbursement. The copies of paid pay roll shall be submitted to the "Engineer-in-Charge" within a period of 7 (Seven) days from the date of payment failing which no further payment to the "Contractor" shall be released.

11. PROGRESS OF WORK AND PENALTY

The "Contractor" will achieve the desired progress as per programme. If the "Contractor" fails to achieve the contracted quantity as per programme, penalty at the following rates shall be imposed.

SI. No.	Failure percentage(%)	Penalty percentage(%)
(i)	Less than 10(Ten)%	1(One)% of value of defaulted quantity
(ii)	Above10(Ten)% and up to 20(Twenty)%	2(Two)% of value of defaulted quantity
(iii)	Above 20(Twenty)% and up to 30(Thirty)%	5(Five)% of value of defaulted quantity
(iv)	Above 30(Thirty)%	To be asked to demobilize with penalty equivalent to 10(Ten)% of value of defaulted quantity. The "Engineer-in-Charge" will off-load the work and get the work done through any other agency or of its own at the risk and cost of the "Contractor". No claim will be allowed to the "Contractor" in this regard.

12 WORKMEN COMPENSATION:

In case of any loss due to accident arising during / in connection with execution of the contract, the "Contractor" will pay compensation to his workmen. The "Contractor" will be fully responsible for his workmen as per workmen's compensation Act and Labour Laws in force during entire period of execution of contract. In case, the "Contractor" fails to do so, the "Corporation" may pay the same and recover the same from the bills / dues of the "Contractor".

13 <u>INFORMATION OF WORKMEN</u>:

The "Contractor" will make his own arrangements of labour and shall furnish all information of workmen employed by him like name, father's name, full permanent address, sex and age to the "Engineer-in-Charge" along with the pay.

14 **STATUTORY REQUIREMENTS**:

The "Contractor" shall comply all statutory requirements applicable at site of work such as Minimum Wage Act, Labour Act, Factory Act, Workmen's Compensation Act, Provident Fund Rules, etc. A certificate to this effect shall be enclosed by the "Contractor" with each Running Account Bill for payment.

15 MINIMUM AGE OF WORKMEN:

The "Contractor" shall not employ any person, who is below the age of 18 (Eighteen) years or unfit for the quotationed items. The "Engineer-in-Charge" shall have right to decide, whether any labour employed by the "Contractor" is below the age of 18 (Eighteen) years or unfit and refuse to allow any labour, whom he decides to be below the age of 18 years or unfit for any other reason.

16 LABOUR LICENCE:

The "Contractor" has to obtain valid labour license and maintain all records at his own cost as per the conditions laid down in the labour rules in vogue and amended from time to time.

17 MINIMUM WAGES ACT:

The "Contractor" shall pay wages of each labour at the rate not less than the wages as per Minimum Wages Act in force and as may be amended from time to time. The "Engineer-in-Charge" has the right to enquire into and decide on any complaint of the labourers relating to non-payment or less payment of wages to them and his decision will be final and binding on the "Job-worker".

18 <u>INSURANCE</u>:

The workmen insurance shall be the responsibility of the "Contractor". He shall produce the records in support of workmen insurance to the "Engineer-in-Charge" for check and record. Further the materials supplied and work executed shall be fully insured by supplier under compressive insurance policy covering all risk against loss or damaged incidental manufacturer or acquisition, transportation, storage execution and till acceptance/handing over of the completed work.

19 IDLE LABOUR:

"OCCL" will not be held responsible for idle labourers of the "Contractor" for any reason, whatsoever and no claim on this account will be entertained.

20 CLAIMS AND LIABILITIES:

All claims/liabilities etc. arising out of Explosives Act and Labour laws shall be borne by the "Contractor" and he shall keep the "Corporation" indemnified against them and also in case of injuries or death of labourer (s) resulting from accidents during the execution of the work. In case the "Corporation" will have to pay for any such claims under Workmen's Compensation Act, the same shall be adjusted from the pending bills/dues of the "Contractor" or shall be recovered otherwise as per law from him.

21 SAFETY:

The "Contractor" should abide by the safety laws and rules of statutory bodies, "Corporation" and owner as per direction of "Engineer-in-Charge" and Safety Officers inspecting from time to time.

22 WATCH AND WARD:

The "Contractor" shall arrange watch and ward and safety of the site materials, vehicles, equipments, etc. at his own cost. No accommodation will be provided by OCCL. The **Contractor** has to arrange accommodation for their working staff during execution of work as well as proper shed for storage of materials with safety precautions.

23 AUTHORISED PERSON:

The "Contractor" may in writing authorize his power of attorney holder or any other person to draw materials, avail facilities, attend measurements etc. during the course of execution of work. All liabilities created by the authorized person of the "Contractor" by way of loss of materials drawn, amenities availed, unpaid wages created etc. shall be considered as the liabilities of the Job worker and such liabilities shall be made good by the "Contractor" or it shall be recovered from the bill/payment due to him.

24 RESPONSIBILITY OF CONTRACTOR:

The work shall be completed by the "Contractor" in all respect within the stipulated period of completion and the responsibility of the "Contractor" shall cease only, when the items are fully accepted by the owner after erection at project site.

25 REJECTION DUE TO BAD WORKMANSHIP:

The rejection due to bad workmanship shall be charged to the "Contractor" at a cost of rejected items plus 20 (Twenty) %.

26 BREACH OF CONTRACT:

The ISD including SD and additional SD are liable to be forfeited in the event of breach of contract and the agreement shall be terminated. The dues of the "Corporation" including due of labourers/ workmen and other statutory payable liabilities payable by the "Corporation" as principal employer shall be cleared by the "Contractor". The decision of the "Engineer-in-Charge" in this regard shall be final and binding on the "Contractor". The amount remaining as outstanding against the "Contractor" after adjustment of his dues shall be payable by him to "OCCL". If necessary, legal action may be taken for recovery of the dues of the "Corporation" including labour and statutory dues to be cleared by the "Corporation" as principal employer and "OCCL" reserves the right to recover the payable amount from the "Contractor" from works done by him under any other organization or from his properties.

27 TERMINATION OF CONTRACT:

The "Engineer-in-Charge" may put an end to the agreement at his option at any time due to (a) Bad workmanship (b) Dis-proportionate progress (c) Non-compliance of labour rules or (d) Any other reason. The decision of the "Engineer-in-Charge" is final in this respect and no claim on this account will be entertained. "OCCL" also reserves the right to take ex parte measurements, if the "Contractor" does not co-operate in taking final measurements after termination of contract.

28 SITE VISIT:

The "Contractor", interested to participate in the quotation, should visit the site of work and get himself acquainted with site conditions and bidding work before submitting the bid.

29. WITH HELD AMOUNT FOR EPF, FPF & ESI DUES

2 (Two) % shall be deducted and kept withheld from RA Bills of the "Job Worker" towards EPF, FPF & ESI dues. If the "Job Worker" produces clearance in support of deposit of EPF, FPF, and ESI dues with the concerned authority within 3 (three) months from the end of each financial year, the above withheld amount shall be released. Otherwise, the "Corporation" shall deposit the same with Provident Fund Authority and ESI Authority . Penalty, if any, shall be recovered from the "Job Worker".

30. RIGHT OF THE "CORPORATION":

The "Corporation" reserves the right to cancel a particular quotation call or all quotation calls without assigning any reason thereof. The offer of any bidder or all may be cancelled without assigning any reason thereof. The requirement shown in any quotation call notice are only indicative and may vary.

31. FORCE MAJEURE:

Neither party shall be liable to any loss or damage occasioned by or arising out of acts of God such as unprecedented flood, volcanic eruption, earthquake or other convulsion of nature and other acts but not restricted to invasion, the act of foreign countries, hostilities, or war-like operations before or after declaration of war, rebellion, military or usurped power which prevent performance of the contract and which could not be foreseen or avoided by a prudent person.

32. JURISDICTION:

For all liabilities created under the various contractual obligations/impositions under this agreement, the "Contractor" undertakes not to raise any dispute or litigations in connection there with and shall make all endeavours to resolve all disputes amicably through conciliation and in all such cases, the decision of the Managing Director, "OCCL" shall be final and binding on the "Corporation" as well as on the "Contractor" failing which all such disputes arising out of the agreement shall be subject to jurisdiction of Hon'ble High Court of Odisha at Cuttack and their sub-ordinate courts at Bhubaneswar only. Both the parties agree by mutual consent that any dispute relating to this agreement is barred from arbitration.
